Financial Obligations

“Financial Obligations” shall include, but are not limited to, the total program cost, as well as any ancillary charges incurred during the academic period. These may include costs related to books, supplies, externship participation, meals, health services, student activities, security deposits, replacement of lost property (e.g., keys or materials), damage restitution, returned check fees, and late payment fees. All such fees shall be assessed in accordance with the official tuition and fee schedule published by Accelerated Pathways Career College prior to the commencement of the applicable academic cycle.

Tuition Payment

The Student understands that this Course carries a tuition cost of \$jshjkghighdfig USD.

Payments must be done in accordance to one of the three options available to the Student.

For APCC Comprehensive Courses, the payment of a registration fee of \$50 is due with the signing of the Enrollment Agreement. All students qualify for the following payment options:

Payment Option 1: *Full Upfront Payment*

Pay full balance of tuition & supplies prior to the start of the program. Payable by cash, check, money order or credit card.

Payment Option 2: *Deferred Automatic Payments Plan*

At Accelerated Pathways Career College (APCC), students have the option to pay via a program to get deferred payments in monthly installments in any of the following amounts:

- \$100.00
- \$200.00
- \$500.00

For this option, it is necessary to authorize automatic payments via debit or credit card information provided at enrollment.

By selecting this option, you agree to have your debit or credit card charged on the dates specified in the payment schedule and commit to maintaining sufficient funds or credit in your account.

It is your responsibility to keep your debit or credit card information accurate and up-to-date. If any changes occur, such as a new expiration date or billing address, you must notify APCC promptly to avoid payment issues or service suspension.

N Student Initials

You can modify or stop automatic payments by submitting written notification to the APCC Student Accounts Office at least three (3) business days before the next payment is due.

This option provides convenience, consistency, and flexibility to ensure timely payments throughout your enrollment.

Payment Option 3: *Career Membership Program*

Under this promotional tuition model option, available only to new students, instructional access costs are covered by a monthly membership payment of \$99 USD instead of traditional lump-sum or installment-based tuition.

This tuition offer will be extended only to applicants who apply and enroll via the Career Membership Program tuition option. All eligible applicants must meet all standard institutional admissions requirements, submit required documentation, and sign their enrollment agreement.

The Career Membership tuition option provides access to all of APCC's comprehensive and fast-track programs, which include (but are not limited to) programs such as Medical Assistant, Paralegal, Phlebotomy Technician, EKG Technician, Medical Billing and Coding, and Medical Receptionist, among other programs offered by the Institution as long as the student's membership is active. In addition to classes and instructional materials, member students also receive the benefit of access to use:

- Institutional learning platforms
- Labs
- Simulations
- Facilities and school amenities
- Externship coordination
- Preparation for national certification exams

Per the Institution's terms and conditions, other third party or non-instructional costs will remain the student's responsibility. These include, but are not limited to:

- Textbooks
- Student supplies and class materials
- Uniforms
- Third party/outsourced training
- Background checks
- Drug screenings
- Immunizations
- Third-party exam fees

Membership payments must remain current, as missed or late payments may result in suspension of instructional access, inability to participate in labs or externships, administrative withdrawal, or removal from the Career Membership tuition option program.

_____ **Student Initials**

Refunds for Career Membership-enrolled students will follow APCC's standard refund policy and applicable state regulations. Membership fee payments already collected are treated as tuition payments for refund-calculation purposes, and any refundable amount is determined based on the student's withdrawal date, documented instruction received, and the institutional refund schedule published in the catalog. Non-instructional charges (books, supplies, uniforms, background checks, drug screens, third-party fees, etc.) are not refundable once incurred. Refunds are issued only after formal withdrawal or administrative drop and completion of all refund calculations by the Financial Officer.

Upon program completion, students may graduate, complete national certification steps, and receive their certificate of completion. After completion of their desired program(s), students may cancel their membership according to institutional policy, or continue membership if they wish to pursue additional offerings available at that time. Withdrawal, cancellation, or termination of Memberships follows APCC's standard procedures and will affect eligibility if the student later seeks re-enrollment.

APCC reserves the right to discontinue or modify this promotion for future applicants, provided such changes do not alter the terms for students already enrolled under pre-existing Promotional Membership Program conditions.

Cancellation and Refund Policy

The Student (or, if the Student is a minor, the Student's parent or legal guardian) may cancel enrollment at any time by submitting a formal written notice of cancellation to Accelerated Pathways Career College ("the Institution").

Three-Day Cancellation Window

Applicants who cancel within three (3) business days (excluding Saturdays, Sundays, and legal holidays) from the date of signing this Agreement are entitled to a full refund of all monies paid. The refund shall be issued within thirty (30) days of receipt of the cancellation notice.

Pre-Class Cancellation (Post-Three-Day Period)

If cancellation occurs after the initial three (3) business days but prior to the published Class Start Date, the Institution shall refund all tuition payments made.

Post-Class Start Cancellation

Cancellations occurring after the Class Start Date will result in a pro-rated refund of tuition based on the last recorded date of attendance. In cases of inactivity, students who do not attend

class for thirty (30) consecutive calendar days will be considered withdrawn as of their last date of attendance.

Pro-Rated Tuition Refund Schedule amounts will be calculated as follows, based on the percentage of the course period completed:

Percentage of Course Completed	Minimum Tuition Refund
Course not yet begun	100%
10% or less	90%
> 10 % – "d 20 %	80%
> 20 % – "d 30 %	70%
> 30 % – "d 40 %	60%
> 40 % – "d 50 %	50%
Over 50%	No refund, or as determined by the Institution.

Student Financial Responsibilities

This section outlines the financial terms to which the Student (and, if applicable, the Student's Parent(s), Guardian(s), or Co-Signer(s)) agrees as part of the Enrollment Agreement with Accelerated Pathways Career College ("APCC" or "the Institution").

Scope of Financial Obligations

The Student agrees to pay all financial obligations incurred throughout the academic period, which may include tuition, supply and book costs, clinical or externship fees, health services, activity charges, technology fees, security deposits, lost or damaged item reimbursements, late fees, and other applicable charges, as published by APCC.

Payment Terms

Students must make payments according to their selected payment option. Payments must be made in U.S. dollars from a U.S.-based financial institution. Payments in excess of the scheduled amount do not exempt the Student from making future payments unless the balance is fully satisfied.

Agreement to Pay

By signing this Agreement, the Student (and, if applicable, Parent/Guardian/Co-Signer) agrees to remit full payment of all amounts due, including any fees associated with tuition, academic materials, institutional services, or other additional charges incurred during the term of enrollment.

Late Payments

Payments are due in accordance with the Student's chosen payment plan. Students unable to make timely payments must contact APCC Administration to discuss alternative arrangements, which must comply with Arizona state licensing requirements and any applicable federal or local regulations. Students will not be permitted to continue coursework without such arrangements.

Enrollment Rejection or Course Cancellation Refund Policy

If a Student is not accepted into the program, all payments made will be refunded in full. If a course is canceled by APCC, the Student will receive a 100% refund of all monies paid.

Default and Payment Delinquency

Students are expected to remain current with their financial obligations as outlined in this Agreement. Should significant delays in payment occur, and after reasonable attempts at communication and resolution, APCC may explore available remedies to address outstanding balances in accordance with applicable laws and institutional policies of the State of Arizona.

Holder in Due Course Statement

Any holder of this agreement is subject to all claims and defenses the debtor could assert against the seller of goods or services obtained with the proceeds hereof. The debtor's recovery shall not exceed the amount paid under this contract. (FTC Rule, Effective May 14, 1976).

Responsibility for Costs

In the event of unresolved financial obligations, additional costs may be incurred. This could include administrative or third-party recovery-related expenses.

Liability for Minors and Co-Signers

For Students under eighteen (18) years of age at the time of enrollment, the Agreement must be co-signed by a parent or legal guardian. The co-signer agrees to:

1. Accept financial and legal responsibility under this Agreement;
2. Guarantee full satisfaction of tuition and fees;
3. Uphold the Student's compliance with institutional policies;
4. Be subject to the same financial liabilities and remedies in the event of default.

Failure to obtain a valid co-signature will delay enrollment processing and nullify the Agreement's enforceability until resolved.

Course Withdrawal, Academic Standing, and Non-Utilization of Services

Withdrawal from a course after institutional deadlines, failure to complete academic requirements, or non-use of Institution-provided services (e.g., health services or activity fees) shall not release the Student or co-signers from their financial obligations.

Non-Refundable Charges

Any charges for books, supplies, or institutional fees, are non-refundable once issued. Late or missed payments shall not be interpreted as cancellation of enrollment.

Overpayments and Credit Balances

In cases of overpayment resulting in a credit balance, no interest shall accrue or be paid on that credit.

Leave of Absence

Students may request a leave of absence of up to 30 calendar days due to extenuating circumstances. If the Student does not return within that period, APCC will calculate any eligible refund based on the remaining coursework.

IRS 1098-T Disclosure

APCC does not issue IRS Form 1098-T (also known as a Tuition Statement). As an educational institution, APCC is not classified as eligible under federal regulation to issue tuition statements, as it does not participate in Title IV federal student aid programs; therefore, APCC is not required to file or provide this form. Students may instead request alternative documentation, such as tuition receipts, invoices, enrollment verification, or payment history statements, for use with a tax advisor when reporting education-related expenses.
